- Climbing:** Occasional throughout the day, up to four (4) hours, to access stairs or ladders and to climb hilly terrain in yards and banks for storm line inspection. There is an approximate two (2) foot height to access the step and grab bar handle of some vehicles being utilized.
- Squatting:** Would be required occasionally, less than one (1) hour per day to maintain vehicles, streets, roadways, and storm water drains.
- Kneeling:** Would be required occasionally, less than one (1) hour per day to inspect, maintain streets, roadways, and storm water drains.
- Pushing:** May be required occasionally, less than one (1) hour per day to push and/or pull.
- Pulling:** May be required occasionally, less than one (1) hour per day to push and/or pull.
- Reaching:** Would be required continuously, up to 7½ hours per day for all job duties.
- Hand Usage:** Would be required continuously, up to 7½ hours per day for all job duties.
- Foot Usage:** Required to utilize the brake, gas, and clutch during the operation of a manual transmission vehicle or the brake and gas for automatic transmission vehicles.
- Environment:** Employee is subject to all weather conditions to complete required job duties.
- Hours:** 7:00 A. M. to 3:30 P. M., Monday through Friday with a 15-minute break and 45-minute lunch. Hours in the winter or during an emergency will encompass additional hours (including weekends) due to supervision of snow removal and emergency street or storm water supervision.

WORK ENVIRONMENT:

The work environment characteristics described here are representative to those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee regularly works in outside weather conditions. The employee frequently works near moving mechanical parts and is frequently exposed to wet and/or humid conditions and vibrations. The noise level in the work environment is sometimes loud.

SELECTION GUIDELINES:

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position or if the individual holding this position has the ability, training and skills necessary to undertake duties beneficial to the City of Bradford.
