\*\*\*\*\*

**Petitioner:** OECD  
**Location:** 9 Mechanic Street

OECD, located on 9 Main Street, is requesting a Certificate of Appropriateness to replace 6 windows on the east side of the rear portion of the building, parallel to Pine Street. Windows will be the same size and color or existing windows.

\*\*\*\*\*

**Petitioner:** OECD  
**Location:** 23 Kennedy Street

OECD, located on 23 Kennedy Street, is requesting a Certificate of Appropriateness to install a handrail on the steps entering and exiting the front entrance of the building. The rail will be 14' of black aluminum railing down the existing steps of the Old City Hall Kennedy Street side. Railing will match the fencing located in the historic district located within the city. The railing is being installed to assist with the safety of entering and exiting the building.
